Student Progress

Each student's progress in school shall be observed, evaluated, recorded, and. reported to parents/guardians. School district personnel shall view satisfactory progress as a minimum goal, for each student.

In a format approved by the Superintendent of Schools, regular, formal reports shall be made to parents/guardians on each student's progress.

Efforts shall be made to provide at least one personal conference each year between teachers, other school personnel as appropriate, and parents/guardians. Additionally, information reporting on a more frequent basis is encouraged as the need and opportunity arises.

Release of Report Cards

Unless a specific request has been obtained from a parent to act otherwise, report cards are to be given only to the student to whom the report card belongs and not to a sibling or friend.

A non-custodial parent, upon written request to the school principal, may receive a copy of his/her child's report card unless there is a court order to the contrary.

Report cards, transcripts and other student records may be withheld from release to those students who have outstanding obligations with the district until such time that those obligations are met.
