Teacher Aides

The Superintendent may employ teacher aides for supplementary instructional and non-instructional duties in the educational program in positions authorized by the Board. Teacher aides will assist teachers in such duties as:

1. Managing and maintaining records, materials, and equipment.
2. Attending to the physical needs of children.
3. Performing other limited services to support teaching duties when such duties are determined and directed by a teacher or administrator.
4. Lunchroom duties.

The Superintendent or his/her designee and/or the staff development committee shall develop an appropriate in-service program for paraprofessionals.

Paraprofessionals are employed so that the certified staff may direct their energies to the students' education. The Principal and the supervising teacher are jointly responsible for making final decisions related to the duties and responsibilities to be assigned to a paraprofessional.
