

Instruction

Use of Commercially Produced Video Recordings

Video recordings will be selected and assigned to give support directly to instructional learning objectives contained within the Board approved curriculum.

Video recordings, when used, shall be selected for their direct relevance to the instructional program. General selection criteria should include quality of the overall work and its individual parts, fair and accurate representation of the facts, the reputation and significance of the writer, director, and/or performer.

Video recordings shall not be used for recreation or entertainment, or for other than planned instructional purposes.

Any recordings above G-rating must have the Principal's approval and parents/guardians shall require one week's notice.
