Did You Know? Summer meals are free, nutritious meals and snacks that are provided to kids and teens, 18 years of age and younger, throughout the summer when school is out. Meals are made possible through federal nutrition programs, like the National School Lunch Program & Summer Food Service Program. Although Coventry/Andover School Food Service is not eligible to provide meals this summer, there are a lot of locations nearby who can serve summer meals for to children aged 18 and under, free of charge, no matter where you live. Dial 2-1-1 or visit www.ctsummerfood.org and plug in your zip code to find all feeding sites near you.

This institution is an equal opportunity provider.
