

AES Back to School Night

September 22, 2021

5-8 pm

Curriculum Presentations

Curriculum presentations will take place from 5pm to 7:40 pm within the classrooms. We are abiding by safety protocols and are limiting the flow of people in the school building, hallways, and classrooms. Presentations will take place by grade level and last approximately 20 minutes. Parents are welcome to attend when it is time for their classroom teacher to present entering through the classroom entrance. Remaining staff who are not set to present will remain outside to help supervise the children so that parents can attend the curriculum presentations with less interruption and allow for a smaller number of people in each classroom. The times are:

- 5:00-5:20 pm Pre-K presentations
- 5:20-5:40 pm Kindergarten
- 5:40-6:00 pm Grade 1

- 6:20-6:40 pm Grade 3
- 6:40-7:00 pm Grade 4
